Non-participating members:

Nathan Low; IVATA President-Elect

Kevin Wells; IVATA Secretary-Elect

In the summer of 2010 National FFA notified the state association the Helena Chemical had made \$4,100 available in sponsorship money for the 2011 212°/360° Leadership Conferences. Officers and district directors voted 10-0 to put the sponsorship towards the reduction of the overall fee for all participants rather than offer scholarships to individual students.
